Marquis Harmon

The Big Picture Arkitect

Keynotes · Workshops · Coaching · Mindset Coaching · IRL Productions
bigpicturearchitect.com

See the whole picture. Then build it.

Marquis Harmon helps executive teams turn complex change, from AI adoption to new economic models, into a clear picture their people understand, believe in and act on. A mindset coach, cultural technologist and author, Marquis helps leaders and creators recognize the patterns driving their decisions under pressure and act on their instincts. Founder of MAEx and author of *Thinking Out Loud to Myself: Psalms 1:3*.

FEATURED AT United Nations · COP22 · World Syrian Refugee Summit · Hive at Harvard Business School

SIGNATURE PROGRAM

AI Adoption with the G.O.D. Framework

Generator · Operator · Destroyer: a rapid prototyping environment

Ship it. Amplify them.

Pilot to production
Stop experimenting and start shipping: AI pilots become results the business can measure.

People amplified, not replaced
Teams do more with the same people instead of fearing for their jobs.

Governance that proves ROI
Move fast without losing control, with the guardrails and ROI story boards want.
